### I. EARLY MORNING BEING THE BEST TIME OF THE DAY (continued)

Proverbs 26:14 says, "As the door turneth upon his hinges, so doth the slothful upon his bed." Here it says that a slothful person in bed is like a door that turns upon its hinges. The slothful keeps turning upon his bed; he cannot leave it. He

turns to one side on his bed. Then he turns to the other side on his bed. Whichever way he turns, he is still on the bed. Many people cannot part with their bed. They love their bed as they turn from one side to the other. When they turn left, they are on their bed. When they turn right, they are still on their bed. They love to sleep and cannot part with their bed. Many people just want to sleep a little longer; they cannot get out of their bed. If one wants to learn to serve God and be a good Christian, he has to rise up early in the morning every day.

Those who rise up early in the morning reap much spiritual benefit. Their prayers at other times of the day cannot be compared with their prayers in the early morning. Their Bible reading at other times of the day cannot be compared with their reading in the early morning. Their fellowship with the Lord at other times cannot be compared with their fellowship in the early morning. The early morning is the best time of the day. We should spend the best time of the day—the early morning—before the Lord, rather than in other things. Some Christians spend the whole day on other matters and kneel down to read the Bible and pray only at night when they are about to go to sleep. No wonder they are ineffective in their Bible reading, their prayer, and their fellowship with the Lord. They wake up too late in the morning. The moment we believe in the Lord, we should set apart the early morning for fellowshiping with God and for contacting Him.
