Update Concerning Children

As the rain falls, it is a sure sign of spring which means summer is around the corner. During this period, children are not in school and there are many activities they can participate in. To encourage our children to continue to grow to know and love the Lord, there are activities for our children.

We have a camp for children from the churches in Eastern Canada who are going into grade 4 up to grade 6 from July 26 to 30 in Montreal. This camp will emphasize three themes that are crucial to a young person's going on with the Lord: to love the Bible, to take care of their conscience, and to have companions who desire to pursue the Lord. Parents who have children in the relevant age are encouraged to sign-up their children. More information is available from the children serving saints.

For those in Grade 6, there is a conference specifically for them to ensure that they all have a good beginning as new believers through a genuine and solid salvation experience. We also want them to be prepared for their

transition into the Junior High School meetings, and to qualify for the Summer School of Truth, which will be held later in the summer.

The registration deadlines and costs are posted in the announcements.
