

Pray for:

- ✿ Eastern Canada Victoria/Patriotes weekend conference in Montreal, May 21-22: the Lord's speaking; building up of the Body through the blending of the churches; grace to the saints who serve and offer hospitality for the conference.
- ✿ The raising up of the Lord's testimony in Oslo, Norway; Lisbon, Portugal; Krakow, Poland; Budapest, Hungary; Vienna, Austria; Rome, Italy; Sofia, Bulgaria, and other major cities in Europe.
- ✿ France: Follow-up and shepherding from Paris conference April 30 to May 1; the desperate need for a French-speaking brother to serve full time for the campus work in Paris; remaining fruit as the gospel time in Paris is increased to 3 days a week from April 25—May 27.
- ✿ English-speaking church life in Montreal: Families that are buying homes and moving in the next few months—pray for all the moving details and that their households will be sanctified and blessed by the Lord to have more homes open for home meetings; multiplying of the central group meeting into two groups; that more families might meet in homes
- ✿ Renovation of meeting hall in Montreal, especially the roof, including the financial need for the renovation.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

English-speaking saints update

The Central group meeting has been enjoying the riches of Christ by reading the LS of Ephesians on Friday night. Also the numbers have been increasing through migration, new gospel contacts/BFC contacts and more existing saints meeting in the homes on Friday night. This has been an encouragement and strengthening to the central group meeting. We are also **endeavouring** to blend with other group meetings including West Island, Chinese speaking and French speaking homes. To be able to meet each one's need adequately we are before the Lord in regard to multiplying into two groups. The Friday group meetings have been averaging around 15 saints with 1 new college student from Concordia and another new contact coming frequently.

The West Island prayer meeting is strengthened and supplied with saints blending from the Central District which has been a great blessing.

Because of work conflict on Friday night, some saints started having a meeting on Saturday night as well.

Several families are in the process of buying houses and moving over the next few months.

There are a number of families who still need to be encouraged to join a home meeting.
