Update on the Spanish-Speaking Church Life

The following are prayers burdens and fellowship for the Spanish speaking saints:

1) Brother John S. has been at home since last Friday June 3; he will go to the hospital only for chemo treatment; he was released from the hospital because a change of environment might help him to recover faster. He got a second treatment which was stronger than the first one. He is not able to eat solid food yet. There are two conditions that have to be met for his recovery: he needs to be able to eat and he needs to feel relaxed and at peace; then the treatment will work.

2) Sister Maria Emilia John S.'s mother needs prayers regarding her permit to re-enter USA. She only has permanent residence for USA, but she has been in Canada almost 5 months. She is concerned that she will not be allowed into USA.

3) Sister Sandra C. from Honduras has requested to have a weekly meeting in her apartment. We have not been able to meet her request, without a sister that can speak Spanish and has time to go to the meeting.

4) Brother Ivan O.'s consecration of his new home for Christ and the Church, to be able to open his home for meetings, blending and mingling for the Lord's testimony in Montreal (West Island).

5) Sister Claudia needs to be recovered back to the church life. She is 24 years old from El Salvador. She works in Montreal as a nanny. We need a sister or sisters to contact her. (Ask Luis for contact information). Sister Maria has contacted her before.

Update on the Korean-Speaking Church Life

We are not meeting regularly, but we are praying for more blending time between the two Korean-speaking families. Our

main burden is full salvation of our households and for sister Bosim's work permit.

- We pray that sister Bosim's two daughters may be brought to church life and enjoy the Lord.

- Sister Bosim came to Canada to support her two daughters' study but her husband had to remain in Korea. She is praying for a work permit so that her family could have a normal family life in one place and eventually immigrate to Canada. May this be the Lord's leading.

- Sister June's husband may have more occasions to be mingled with other saints and eventually be saved through the Body.

- There is another Korean family in the process of moving to Montreal. Their plan is to arrive here by September. Please pray that the Lord would take care of every detail of the process so that they could arrive safely.

Update on the Filipino-Speaking Church Life

The main prayer burdens are:

- That the saints might be burdened and built up together as vital groups;
- That the Lord would give the saints the grace to preach the gospel and to shepherd new contacts into the church life;
- That Angelo might be baptized.
