## Update on College and University Students

The beginning of the school year, the first week of September, is fast approaching. In order to be adequately prepared to gain a fresh crop of students for the church to labour on, we must begin our preparations this month. **This burden of gaining the college and university students can only be carried by the entire church, specifically, the blended coordination of the community saints, students, and full-timers.** For this, we are aiming to create the environment, atmosphere, and venues for the Lord to operate through a number of events.

Foremost is "Family Time" to be held on Aug. 21 from 5:30-7:30 pm. This time is critical for the coordination in fellowship between the community saints and full-timers. The goal is to bring us all into a harmonious oneness that we may labour together as one new man to shepherd and bear fruit through the college and university students. For any saints burdened, please reserve this evening in your schedule.

Secondly, we will have a BBQ on Aug. 27 to foster the connection between the community saints and students. The goal of this time is for the Lord to put us on each others' hearts and bring us into each others' homes for the organic mutual shepherding.

Lastly, we will have a gathering for our students who are living in corporate living that they may have a divine and glorious beginning to this school year—being saturated with the fatness of His house, drinking of the river of His pleasures, and coming to the fountain of life. Through this time, may the Lord continue to gain our students corporately as the solid nucleus of His move on the campuses.

### III. WHAT TO DO IN THE EARLY MORNING

We do not merely rise up early. There must be spiritual exercise and spiritual content to what we do. Here are a few things to do early in the morning:

#### A. Fellowship with God

Song of Songs 7:12 shows us that the early morning is the best time to fellowship with the Lord. To fellowship means to open up our spirit and our mind to God and allow Him to enlighten us, speak to us, impress us, and touch us (Psa. 119:105, 147). During this time our hearts are drawn near to God, and we allow God to draw near to our hearts. We should rise up early in the morning to tarry before the Lord, to meditate, to receive leading and impressions from God, to learn to touch Him, and to give Him an opportunity to speak to us.

#### B. Praise and Sing

There must be the sound of praise and singing in the early morning. The early morning is the best time to sing praises to God. When we offer our highest praise to God, our spirit rises to the highest peak.
