Update on the Spanish-Speaking Church Life

- Continue to pray for the situation of John S. and his family.
- Luis has had to return home to BC because he has been unable to get a job here. He still desires to return, but he would need a job.
- Jhonny and Andrea want to open their house, hoping that the Lord may charge some to have meetings with them regardless of the language. Because Jhonny studies at night, it is difficult for Andrea to go out with the kids. They want to enjoy the church life and their kids to grow up in it.
- Ivan and Maria's consecration of their new home for Christ and the church, to be able to open their home for meetings, blending and mingling for the Lord's testimony in Montreal (West Island), and also requesting prayers for the young people so they can be gained and kept in the Lord's recovery apart from all the distractions of this age.
- Sister Sandra has requested to have a weekly meeting in her apartment. We have not been able to meet her request, without a sister that can speak Spanish and has time to go to the meeting.
- A sister from El Salvador needs to be recovered back to the church life. We need a sister or sisters to contact her. Sister Maria has contacted her before.
- Pray for all the brothers and sisters that are serving the kids, that the Lord strengthen and guide them so they can minister the Lord into all the kids, who are the future of the church.

Update on the Korean-Speaking Church Life

We are not meeting regularly but praying for more blending time between the two Korean-speaking families. Our main burden is full salvation of household and sister Bosim's work permit. Also, we recently gave a BfC Bible to one of our friends. Due to the distance and schedule, we cannot find a time to read Bible together but she is open to get together to pursue the Lord. A sister in New Zealand whose son is coming to study here is still waiting for the CAQ to be issued. Please pray for these items:

- there would be more building up between us and that the Lord may increase through us; He would release our time to fellowship with new contacts.
- the Lord would gather sister Bosim's family in one place so that they can enjoy the church life together; that her two daughters would love the Lord.
- Sister June's husband may be open for meeting with other saints and eventually receive the Lord.
- The Lord would take care of every detail of the process of the sister's moving to Montreal from New Zealand; her son's CAQ needs to be issued soon so that he can apply for a student visa.

Update on the Filipino-Speaking Church Life

The main prayer burdens are:

- That the saints might be burdened and built up together as vital groups;
- That the Lord would give the saints the grace to preach the gospel and to shepherd new contacts into the church life;
- Praise the Lord for Angelo's baptism after the church's prayer! Continue to pray for his going on in the Lord.
