## Update on the Children

With September just around the corner, it means that summer is coming to an end here in Montreal and the children are preparing to begin a new school year. As such, all those serving with the children also begin to gear up and prepare for a "new year" for the children and the groups. As the children go to their new school grades, they may also move into the new groups within the children service on Lord's Day.

As a reminder for all parents, children's service in Montreal is arranged in four groups. Group 1 is children up to and including kindergarten. Group 2 is children from grade 1 to 3 and group 3 is children from grade 4 to grade 6. There is also a group for the toddlers to be cared for.

As we begin, all parents are asked to attend the children's service meeting. The parents of the toddlers in particular are asked to join in the fellowship to consider how to take care of that particular group. All the parents are also encouraged to join in the service regardless of language or experience. It is through serving, functioning and blending together that we can get built up into the body of Christ. Let us all be built up together to care for these children the Lord has entrusted into our hands, to shepherd them to be the proper vessels to carry out the Lord's move here on this earth.
