

Pray for:

- ✿ Lexington, Kentucky: Strengthening of new church (GTCA city); gaining at least 5 locals as remaining fruit this year; that the saints be blended, open their homes, and practically enter the God-ordained way.
- ✿ Hungary: That The Lord would raise up His testimony in Budapest, Tata, Sopron, and other cities, and strengthen His move through the migration of burdened saints.
- ✿ Israel: Salvation of a student who is helping to translate songs; for the hearts of the students at Tel Aviv University to be sanctified unto the obedience and belief of the gospel; that a sister contact from Galilee might be infused with a vision as she visits the local churches in England and Scotland for two months.
- ✿ Rome: The blending of the migrating ones with the local saints; the Lord's leading in the Body concerning the beginning of the Lord's table; gospel contacts with native Italians; the release of the Rhema free distribution and the literature work in Italy.
- ✿ Renovation of meeting hall in Montreal, especially the roof, including the financial need for the renovation. The target is \$110,000 for phase 1 including roof and interior repair. The offering to date is \$89,268.90. We are still short of \$20,731.10.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

Update on the English speaking saints

Praise the Lord that the saints continue to grow in life and enjoyment of the Lord through the blending and pursuing of the word. The saints are encouraged to open their homes for more blending and fellowship and with the conference from this past week; this has been strengthened by the saints' consecration.

Moving forward, we want to continue to blend the saints in the meetings and also encourage the saints to visit the other groups in their meetings. Some of the English speaking saints have also expressed their openness to help take care of the college saints now that school has started. We seek the Lord's leading in how this will be arranged.
