- ✿ Persian (Arabian) Gulf: Four local churches in Saudi Arabia, with small group meetings in two other cities; three churches in the United Arab Emirates (UAE); three churches in Qatar; churches in Oman and Kuwait; saints meeting in Bahrain; covering of all the saints in these Muslim countries where there are bans and severe restrictions on the propagation of the gospel; that typical Arabs will be prevalingly saved and gained for God's eternal purpose; that the Arab Spring might result in resurrection life and freedom of the gospel.
- ✿ French Caribbean (Guadeloupe and Martinique): Continued shepherding of over 30 contacts in these islands from a recent conference and visitations; the raising up of churches in these overseas provinces of France (just as Hawaii is to the USA).
- ✿ Meeting hall in Toronto: That the City might grant the building permit so that renovations can begin; finding a suitable construction company; repayment of the loan for the hall project; that the Lord might bless the hall to be used for the spiritual building up of the church.
- ✿ May the Lord have a way to encourage and guide the YP in practising spiritual companionship; The Lord's anointing and direction in caring for the YP to help shape their humanity to be proper vessels for the Lord; May the Lord add more serving ones to adequately shepherd our YP that they would grow in truth and life
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

Update on the Young People

We praise the Lord for His faithfulness in continuing to gather us together every Saturday afternoon for the YP meetings. We have been rotating our meetings in homes in the different districts – West Island, Verdun, NDG, and Central. This arrangement is more conducive to enjoying the Lord together in a more intimate, family setting, and having more blending with all the families and community saints. Recently, 2 young brothers joined us, and 1 new sister has expressed her desire to join the YP service. Thus we are now 17 YP (9B/8S) and 6/7 SOs who meet regularly. Since September, we have been alternating the pursuit of lessons from the 2011 SSoT with selected Bible portions/parables or topics.

The Lord has graciously added a few more serving ones to our Lord's Day service; we now have 15 SOs (9B/6S). Each LD, 3 SOs gather with the YP. In the last month, we have altered our pursuing material for this meeting. During this time, our focus is to join with the burden of the church and the Body. Thus, the SOs select one day's message of the HWMR for that week, one or two serving brothers present an opening word, and then we all study the portion and share our enjoyment. For 1 LD meeting, we all join the entire church's prophesying meeting (English and/or French) in order to blend with all the saints.

Last weekend, November 6th and 7th, we organised a blending trip to Ottawa. Twenty-one saints, (14YP – 9B/5S) left Montreal on Saturday morning, visited Ottawa's Parliament Hill and spent some time distributing tracts in that vicinity, before heading to their meeting hall for dinner, further fellowship, enjoyment and mutual encouragement. We enjoyed the Lord together with the saints during their Lord's Day meeting. We thank the Lord for the abundant supply in the Body.

Our hope and prayer is that the Lord would continue to work in the YP, to separate them and set them apart from everything common unto Himself, to love Him and be drawn to Him as the beautiful One, to be gained by Him to be those who would turn the age for His testimony and His move.

IV. THE PRACTICE OF EARLY RISING (continued)

You may face a little difficulty at the beginning. It is always easy the first and second day. But the third day is difficult. You will find it easy for the first few days. But after a few days, you will love the bed so much that you will not want to get up at all. This is especially true in winter. It takes a long time for us to build up a new habit. Perhaps you are used to getting up late, and your mind has been used to getting up late. But if you rise up early a few times, your mind will gradually adjust to getting up early. After you do this for a few days, you will not want to go back to sleep even if your mind is telling you to do so. In the beginning you will need to force yourself a little in order to rise up early. Before a habit is built up, you need to ask God for grace. Continue to ask until this habit is built up. Try to do this again and again. Give up your bed daily to rise up early. In the end you will rise up early spontaneously. You must build up this habit before God. You must not miss the grace of fellowship early in the morning.
