

## Pray for:

- ✿ India: During 6–12 February, saints gathered for one week to pray and prepare for the Lord's intensified move, and the Spirit was moving in an unprecedented way with upper room consecrations; that the Lord would remember all the consecrations made, that the Spirit would continue to blow strongly across India to bring all the churches into the same flow of the Spirit, so that the Lord would gain a breakthrough.
- ✿ Following up of Bible recipients in North America: ongoing nourishing and cherishing new ones in appointments, Bible studies, and home meetings to gain remaining fruit; a harmonious coordination among the saints in all their shepherding
- Hamilton and London, Ontario: Pray that the Lord will establish a strong testimony in Hamilton, bringing the saints into a clear and controlling vision of the Lord's recovery, His eternal economy, the oneness of the Body and the churches and into a sweet one accord.
- ✿ Young people: that the young people would establish healthy habits such as reading the Bible in their daily schedules, how to touch their spirit, how to read the Bible on their own, and giving money to the Lord; the CEGEP students and their care during their transition from high school to university.
- ✿ Construction of meeting hall in Kiev, Ukraine (projected completion in 2013): Financial needs for the construction; use of hall for the Lord's move in Ukraine and the Russian-speaking world.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

## Update on Young People Service

\* More fellowship with serving ones in other age groups: we would like to restart the joint fellowship/coordination with college serving ones as well as with children serving ones.

\* Taking care of CEGEP students: for the CEGEP students we need to strengthen transition in our shepherding to see that these saints belong to both college and young people service. They should be taken care by serving ones in both groups.

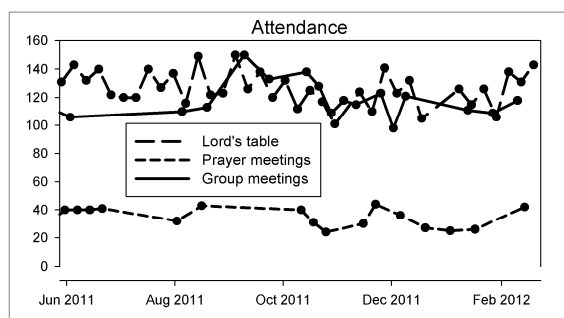

\* Some important habits were shared on one Lord's day to the young people: reading the Bible as part of a daily Christian practice; how to fit it into their schedules, how to touch their spirit; how to read the Bible on their own; giving money to the Lord

\* The young people are reading the Bible together in groups, in groups of 2 or more.

\* To intergrate the young people into the church life, we would like to invite brothers from different language groups outside of the YP service to join us on Lord's Day to give an opening word and to welcome them to stay for our meetings, this will encourage the young people to have more contact with other saints

\* We would like to also have a retreat on March 10, and we will continue to fellowship to have practical arrangements, call for a parents meeting, and to invite new ones.

## Confession and recompense

Scripture Reading: Lev. 6:1-7; Matt. 5:23-26

### IV. A FEW PRACTICAL CONSIDERATIONS (continued)

Sixth, confession is related to physical healing. James 5:16 says, "Therefore confess your sins to one another and pray for one another that you may be healed." The result of confession is often God's healing. Sickness often comes in when there are

hindrances among God's children. If we confess our sins one to another, our sickness will be healed.

Hopefully, the brothers and sisters will be thorough in the matter of confession and recompense. This is the way to maintain their purity. If anyone has transgressed against man, he should confess his sins to God on the one hand, and he must deal with the matter seriously with man on the other hand. Only then will his conscience remain bold. When the conscience is bold, a person can make considerable progress in his spiritual pursuit.
