- ✿ The Full-Time Training in Anaheim needs to move from its current location on Ball Road to a new dedicated training centre to be built in the Ministry Conference Center on La Palma Avenue. The current facilities are now insufficient for the increasing number of trainees (well over 300 trainees); the new centre is necessary to meet the present and future growing needs. Living Stream Ministry can contribute \$2.5 million to this project, but there is a need of an additional \$5.5 million by August 2014 to complete this project. If the Lord leads you to participate in this grace, then please send a donation through the church designated for "FTTA Training Center."

## II. THE CHURCH BEING ONE IN THE HOLY SPIRIT (continued)

The Body of Christ has two basic principles: First, apart from that which comes out of Christ, there is no Body of Christ; second, apart from the operation of the Holy Spirit, there is no Body of Christ. There must first be the baptism of the Spirit and the infilling of the Spirit; God's children must all be baptized by the Spirit in order to become the Body. This was what happened at Pentecost in Acts 2. Many had received the Lord's life and had become His many members. Then the Lord baptized these many members through the Holy Spirit into one Body. Those who know the Lord and the Holy Spirit also will know this one Body. There are many members in the human body, but the head rules over them all through the nerves. Likewise, the Head of the church joins the many members into one Body through the Holy Spirit.

The church is out of Christ, and it is formed into one Body in the Holy Spirit. Christian fellowship and communion should be based on one's standing in the Body of Christ. We have no relationship other than this relationship. We are not bound together because we are Jews or Greeks. We commune with

one another because we are all members of the Body of Christ. Our communion with one another is based on the Body.

There is only one basis for our fellowship in the church—our being fellow members with one another in the Body. We cannot have any fellowship that is based on any other foundation. Any fellowship outside the Body of Christ is a division. Any fellowship that is not as large as the Body, that is in fact smaller than the Body, is not the fellowship of the Body. Any boundary that is different from the boundary of the Body, though it may not contradict the boundary of the Body, is a hindrance to the Body boundary. Such a variation in boundary will always hinder the fellowship of the Body. We cannot accept any fellowship that is different from the Body. We are here to maintain the fellowship of Christians, the fellowship of the Body, not any fellowship that is smaller than the Body.

## III. SERVICE IN THE BODY

First Corinthians 12:14-21 says, "For the body is not one member but many. If the foot should say, Because I am not a hand, I am not of the body, it is not that because of this it is not of the body...If the whole body were an eye, where would the hearing be? If the whole were the hearing, where would the smelling be? But now God has placed the members, each one of them, in the body, even as He willed. And if all were one member, where would the body be? But now the members are many, but the body one. And the eye cannot say to the hand, I have no need of you; nor again the head to the feet, I have no need of you." Verses 28 through 30 go on to say, "And God has placed some in the church: first apostles, second prophets, third teachers; then works of power, then gifts of healing, helps, administrations, various kinds of tongues. Are all apostles? Are all prophets? Are all teachers? Do all have works of power? Do all have gifts of healing? Do all speak in tongues? Do all interpret tongues?"
