### A. 1. Salvation Being a Deliverance from the World (cont.)

Hence, the matter of salvation and perdition has nothing to do with whether or not you have believed or how good your conduct is; it has to do with your location. If you are in the boat, you are saved. If you are still in the sea, you are perishing. You may not have done anything, but as long as you are in the world, that is enough for you to perish. It does not matter whether you are good or bad, a gentleman or a villain. It does not matter whether or not you live by your conscience. As long as you are in the world, you are finished. If you have not left that place, you are condemned by God.
