

Please pray:

- ✿ UK radio work: Premier Radio (that broadcasts the Life-study program) is presently under threat of losing its nationwide broadcasting privilege and being replaced by a non-stop music station; pray for the continuation of the Life-study radio program; binding of the enemy in his attack; continued financial support for the radio program.
- ✿ Asia: gospel visitation in Hyderabad and propagation in Rawalpindi, Pakistan; Propagation Training in Phnom Penh, Cambodia in March that young people would be burned by the divine fire and be sent out in April for propagation in different cities; strengthening of the literature work in Laos and that more saints would participate in the literature service.
- ✿ Ottawa: Establishing the saints in the apostles' teaching; raising up of a vital group church life; increased blending and regular visits by saints from Montreal; gaining of contacts in Gatineau.
- ✿ Districts in Montreal: that the Lord might lead us as He multiplies us into various district meetings; genuine blending between the saints in the districts regardless of language; the Lord's burden and blessing for the propagation of the gospel of the kingdom in each of our neighbourhoods; a way to provide proper spiritual care for our children in the districts.
- ✿ Translation of French hymns: that many more hymns might be translated into French for the sake of a richer Lord's table meeting for all the languages in the church, and for an increased enjoyment of the riches in Christ through the hymns by the French-speaking saints.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

Terminating the Past

II. NEW TESTAMENT EXAMPLES OF DEALING WITH THE PAST (continued)

D. The Termination of Unsettled Matters (continued)

Many people want to settle all of their affairs before they believe in the Lord. If so, they will have no opportunity to believe in Him. We should not be bound by matters of the dead. Instead, we should just regard the unsettled matters as settled. If we want to settle them before following the Lord, we will never make it. Matters concerning idols, improper things, and debts must be dealt with thoroughly. As for other unsettled matters, we should just let them go!

With regard to the attitude of a new believer towards his past, I can only find the above four categories of things in the Word of God. As for many other unsettled affairs, we should regard them as settled. As to family duties, we should let the dead take care of the dead. We have no time to deal with them. We want to follow the Lord. Those things are not for us to settle; they are for the dead to take care of. Let the ones who are spiritually dead handle them.

A QUESTION

A brother asked: If I have offended a person and he is not aware of it, must I also confess to him?

Answer: It all depends on whether or not he has suffered material loss. If the other party is aware of this loss, you should deal with the matter by following Zaccheus's example. Even if he is unaware of this loss, you should still confess to him, especially when material loss is involved. It is best to bring the matter to the church and let the more experienced brothers help you solve it because they know what is most expedient.
