

Please pray:

- ✿ UK radio work: Premier Radio (that broadcasts the Life-study program) is presently under threat of losing its nationwide broadcasting privilege and being replaced by a non-stop music station; pray for the continuation of the Life-study radio program; binding of the enemy in his attack; continued financial support for the radio program.
- ✿ Quebec: shepherding of contacts in Quebec City, Ste-Adèle, Laval and Longueuil; that saints in Montreal be strengthened to visit contacts in other cities; the Lord's advance in His testimony throughout this province.
- ✿ University students: that the Lord would strengthen our existing students to love the Lord and seek Him to grow in life and truth; that they might be burdened to bear the Lord's testimony on their campuses; for the increase of burdened university students through our current CEGEP students, new ones gained, and students migrating from other churches.
- ✿ Translation of French hymns: that many more hymns might be translated into French for the sake of a richer Lord's table meeting for all the languages in the church, and for an increased enjoyment of the riches in Christ through the hymns by the French-speaking saints.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

I. THE TYPE OF ISRAEL'S EXODUS FROM EGYPT

A. The Result of Redemption Being to Go Out

God saved the Israelites through the Passover lamb. When the messenger of God went forth to kill the firstborn in the land of Egypt, the angel of death passed over the doors

which had the blood upon them. If there was no blood on the door, the firstborn of that house was killed. It had nothing to do with whether the door was good or bad, whether there was anything special about the lintel or the side posts, whether there was anything good about that family, or whether the firstborn child honored his parents. The issue was whether there was any blood. Whether or not you will perish does not depend on your family's status or your behavior; it depends on whether you have the blood. The basic factor for salvation is the blood; this has nothing to do with us.

We who are saved by grace are redeemed by the blood. But please remember that immediately after being redeemed by the blood, we must move and go out. Do not think that we can buy a house and dwell in Egypt after we are redeemed by the blood. Those who are redeemed by the blood must set out that very night. The lamb was slaughtered before midnight, and the blood was sprinkled with hyssop. They ate their meal quickly, with their loins girded and their staff in their hands, because they had to leave immediately.

The first result of redemption is separation, that is, departure, a going out. God never redeems a person and leaves him in the old position to continue living in the world. There is absolutely no such thing. Once a person is born again, saved, he must take up his staff and set out. Once the angel of destruction has done his work of separating the saved from the perishing, the saved ones must leave. Once you have been separated by the smiting angel, you have to pack up and move out of Egypt.
