

Please pray:

- ✿ Parents and Serving Ones Conference, Toronto, April 17-19.
- ✿ FTT South America: the Lord's blessing of the beginning of the Portuguese section of the training for the Brazilian trainees (the training is primarily in Spanish); continued growth in numbers for the FTT Caacupé, Paraguay.
- ✿ Young people: that they would receive a revelation of the satanic nature of the world and see that it is opposed to life; that they would experience the love of the Father to replace their love of the world; that they would respond to the Lord with, "Speak for your servant is listening" and "Here am I Lord, send me".
- ✿ Secondary school and CEGEP graduates: that graduating students would open to the Lord and seek His leading about which college or university to attend; that they might have many sweet transactions with the Lord as He gains them through this search; that as they transition in their studying, they might be firmly attached to the churches.
- ✿ Translation of French hymns: that many more hymns might be translated into French for the sake of a richer Lord's table meeting for all the languages in the church, and for an increased enjoyment of the riches in Christ through the hymns by the French-speaking saints.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

I. THE TYPE OF ISRAEL'S EXODUS FROM EGYPT (continued)

C. Our Way Being in the Wilderness

Just to confess the Lord with our mouth and say, "I have believed in the Lord today," is not enough for a testimony. We must come out from the world and be separated. This takes us one step further than confessing Jesus as Lord with our mouth. We cannot be dumb Christians. However, opening up our mouth alone is not enough; we must be separated from the world. We cannot continue our previous friendships, social ties, or other previous relationships. We must treasure our present position in the Lord and turn far away from our previous position. The person has to go out, and the possessions have to go out as well. Others may say that we are foolish, but we should not listen to them. Today we have to come out from Egypt. From the time we become a Christian, our way is that of the wilderness, not of Egypt.

In New Testament terms, both Egypt and the wilderness represent the world. Egypt refers to the world in its moral sense. The wilderness refers to the world in its physical sense. Christians are in the physical world but not in the moral world. We must see that there are two aspects of the world: the first as a place and the second as a system. There are many things related to the physical world which are attractive, which arouse the lusts of the eyes, the lusts of the flesh, and the vainglory of life. This is Egypt. But there is another meaning to the world—the physical world as a place where one's body resides.
