

Please pray:

- ✿ Ontario: that the Lord would establish and strengthen His testimony in Guelph, London, Mississauga, Windsor and Sault Ste. Marie; that the existing saints in the recovery in these cities might be strengthened to continue steadfastly in the apostles' teaching and in the New Testament ministry; that the Lord might stir many saints to migrate to these cities for His testimony.
- ✿ Syrian migrants in Europe: that the "humanity crisis" can be an opportunity for the gospel; that the gospel could be preached to the unbelievers; that the nourishment and truths of the New Testament ministry could be presented to the fleeing believers; that the churches and co-workers could be strengthened to respond in the humanity of Jesus and the divinity of Christ; that native Europeans might be opened to the gospel through this crisis; for the translation work of gospel material into Arabic; that the saints and churches in North America would participate in the support for the burden, including for the migrants that are received in Canada and the United States.
- ✿ Districts in Montreal: that the Lord might lead us as He multiplies us into various district meetings; for a clear and controlling vision of the oneness of the Body of Christ; genuine blending between the saints in the districts regardless of language; the Lord's burden and blessing for the propagation of the gospel of the kingdom in each of our neighbourhoods; a way to provide proper spiritual care for our children in the districts.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

Leading men to Christ

Scripture Reading: Rom. 1:16; 10:14; 1 Tim. 2:1, 4; Mark 16:15

In the previous chapter we said that once a person believes in the Lord, he has to witness for the Lord. In this chapter we want to talk about the ways to lead men to Christ. If we do not know how to lead people to Christ, I am afraid that much of our witnessing will be in vain. There are several things which we must do and learn if we want to lead men to Christ. We can group them into two categories: First, going to God on man's behalf, and second, going to man on God's behalf. In addition, we would also like to say something about passing out tracts.

I. GOING TO GOD ON MAN'S BEHALF

A. Prayer Being the Foundation of Leading Men to Christ

There is a foundational work in leading men to Christ. Before one opens his mouth before man, he first must open his mouth before God. We need to first ask God and then talk to men. We always need to talk to God first, not man. Some brothers and sisters are very zealous to lead men to Christ, but they do not

pray for them. A man may have great interest in people, but if he has no burden to pray before the Lord, his work of saving souls will be ineffectual. A person must have a burden before the Lord before he can witness to men.

The Lord Jesus said, "All that the Father gives Me will come to Me, and him who comes to Me I shall by no means cast out" (John 6:37). According to Acts 2:47, the Lord added to the church daily those who were being saved. The first thing that we must do is ask God for people, asking Him to give men to the Lord Jesus and to add them to the church. In order for men to be saved, we need to ask God and implore Him. It is very difficult to deal with man's heart. It is not easy for us to turn a heart toward the Lord. We must first go to God and pray for these people, asking God to bind the strong man (Luke 11:21-22). Afterwards, we can talk to them at length. We have to present these people one by one to the Lord and pray for them fervently before we can effectively lead them to Christ.

Those who are good at leading men to Christ are good at prayer. If you have trouble getting answers to prayer, you will have trouble witnessing for the Lord. If you have no confidence in prayer, you will have no confidence in leading men to Christ. Hence, you must learn to pray in a practical way and not let this matter slip by.
