

Please pray:

- ✿ 96 Lessons Training, Saturday November 21.
- ✿ Israel: for the Lord's blessing on a newly established church; for a clear controlling vision of God's economy to take hold in the hearts of the saints meeting there; that the saints on the campuses and those in compulsory military service would experience and enjoy the Lord as their full supply for the God-man living, overflowing in fruit-bearing.
- ✿ Winter video training in December and January: that the Lord would raise the standard of the video training until it matches that of the live training; that saints might consecrate their hearts, money and time to give themselves to be trained and perfected for the building up of the Body.
- ✿ Ottawa: Establishing the saints in the apostles' teaching; raising up of a vital group church life; increased blending and regular visits by saints from Montreal; gaining of contacts in Gatineau.
- ✿ GTCA 2016 in Canada: for the 2016 GTCA move, in Laval, QC, Mississauga, ON and Abbotsford, BC; that many FTTA trainees and surrounding churches will rise up to meet the need during the two-week Winter distribution; that many may respond to the Bibles and literature given out, that many unbelievers will get saved and much remaining fruit will result from this move.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

C. The Greatest Obstacle to Prayer Being Sin (continued)

If you want to be a man of prayer, you must deal with sin thoroughly. You lived in sin for a long time in the past. If you are not careful with it now, you will not be totally free from it. You have to deal with sin seriously; you have to come before God to confess every sin, putting every sin under the blood, refusing it, and coming out from it. Then your conscience will be recovered. As soon as the blood cleanses, the conscience is recovered. There will be no condemnation, and spontaneously you will see God's face. Never give in to sin. This will weaken you before the Lord. If you are weak before the Lord, you will not be able to intercede for others. As long as sin remains, you will not be able to utter anything in your prayer. Sin is the number one problem. You should pay attention to it all the time, even daily. If one deals with sin properly before the Lord, he will be able to offer proper prayers, and others will be brought to the Lord through him.

D. Praying with Faith

Another important thing is to have faith in our prayers. If the conscience is blameless, it is easy for faith to be strong, and if faith is strong, spontaneously our prayers will be answered.

What is faith? Faith is freedom from doubt. It is to accept God's promises in our prayers. It is God who asks us to pray and who wants us to pray. God said, "Concerning the work of My hands, command Me" (Isa. 45:11). If we pray, God has to answer us. Jesus said, "Knock and it shall be opened to you" (Matt. 7:7). It is impossible for Him not to open after we have knocked. Jesus said, "Seek and you shall find." It is

impossible for us not to find after we have sought. Jesus said, "Ask and it shall be given to you." It is impossible for us to ask and yet not receive. If we do not believe this, what kind of God do we think our God is? We must see that God's promises are faithful and dependable. Faith is based on our knowledge of God. The more we know God, the stronger our faith will be. We are saved already; we know God already. Therefore, we can believe; there should not be any difficulty at all for us to believe. When we believe, God will answer our prayers. Learn to be a person full of faith from the very beginning. We should not trust in our feelings or our mind. Instead, we should believe in God's word. God's promises are like cash; they work. In fact, God's promises are God's work. The promises tell us of God's work, while His work is the manifestation of His promises. We have to accept God's promises in the same way we accept His work. When we believe God's word, abiding in faith rather than in doubt, we will see how real God's words are and we will find answers to our prayers.
