

Please pray:

- ✿ Raising up of vital groups in the church in Montreal in all the languages; that all the saints would rise up to live vitally with vital companions for gospel preaching, shepherding, pursuing the truth, and prophesying to build the church.
- ✿ Paris: that the white horse of the gospel would run more quickly in France; that the churches in France would watch and pray together, put on the armor of light, and be filled with the shepherding Spirit of the Lord to go shepherd new ones, seeking ones, backsliding ones.
- ✿ Middle Eastern migrants in Europe: the Lord's continued leading concerning how the churches should respond; the free mass distribution of care packages and literature; the shepherding of the seeking ones; the release and participation of brothers and sisters with an adequate knowledge of the truth and a proficiency in the Arabic and Farsi languages; the salvation and gaining of the Lord's chosen ones, especially the useful ones and the young ones; the Lord's protection of His present move from the attack of the evil one, Satan.
- ✿ Maritimes: for strengthening and building up of the church in Halifax; that saints might visit and migrate to strengthen the church in Halifax; that the Lord would raise up and shepherd contacts throughout the Atlantic provinces, and that new churches would eventually be raised up.
- ✿ GTCA 2016 in Canada, Jan 26 to Feb 6: for the 2016 GTCA move, in Laval, QC, Mississauga, ON and Abbotsford, BC; that many FTTA trainees and surrounding churches will rise up to meet the need during the two-week Winter distribution; that many may respond to the Bibles and literature given out, that many unbelievers will get saved and much remaining fruit will result from this move.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

F. Praying Daily

You have to pray for those around you. Is there no one who needs your prayers? How many colleagues do you have? How many neighbors do you have? How many relatives and friends do you have? Always ask the Lord to place one or two special persons in your heart. When the Lord places a person in your heart, He intends to save this person through you. You should write down his name in your record book and continually bring him to the Lord through prayer.

You need to set aside a fixed time daily for this work of intercession. Whether it be an hour, half an hour, or a quarter of an hour, it must be a fixed time. If there is no fixed time for prayer, there will not be definite prayer. As a result, there will not be any prayer at all. Hence, always fix a time for prayers, whether it is a quarter of an hour or half an hour. Do not be too ambitious; do not plan for two hours and end up not being able to carry it out. It is more practical to set aside one hour, half an hour, or a quarter of an hour. Always fix a time to pray for those who need your prayer. Do not relax. Do this every day. After a while, you will see sinners saved one by one.

G. A Few Examples of Intercession

We will mention a few stories here to show you how others have done this work.

1. A Boiler Worker

Once a boiler worker in a ship was saved. He asked the brother who led him to Christ, "Please tell me the first thing that I must do for the Lord?" The brother replied, "The Lord will choose a few of your companions and put them in your heart. You will have to pray for them." There were more than ten persons working together at his place. He remembered one person in particular and prayed for him daily. That person found out about this, and he became angry. Later, an evangelist came by and preached the gospel to the men there. After the meeting he stood up and said, "I want to believe in Jesus." The evangelist asked, "Why do you want to believe in Jesus?" He said, "A person has been praying for me for some time. I have to believe in Jesus." The boiler worker had been praying for this man. Although he did not like this in the beginning, the power of prayer overcame him, and in the end he accepted the Lord.
