

Please pray:

- ✿ GTCA 2016 in Canada, Jan 26 to Feb 6: for the 2016 GTCA move, in Laval, QC, Mississauga, ON and Abbotsford, BC; that many FTTA trainees and surrounding churches would rise up to meet the need during the two-week Winter distribution; the genuine blending and building up of local and visiting saints; that many may respond to the Bibles and literature given out, that many unbelievers will get saved and much remaining fruit will result from this move for the eventual raising up of new churches.
- ✿ South Africa: university labour and gaining of new students in Pretoria; raising up of three more lampstands in South Africa in 2016 in Durban, Nelspruit, and one more location still in fellowship.
- ✿ Papua New Guinea: for a golden lampstand to be raised up in Port Moresby; for the young people's meeting to be established in Port Moresby and for saints to be burdened for the young people; for the saints to establish the habit of reading the Bible and praying with companions.
- ✿ Middle Eastern migrants in Europe: gospel trips in Germany from January to July; grace to the churches in Germany, including saints who are migrating there for this burden; the free mass distribution of care packages and literature; the shepherding of the seeking ones; the participation of brothers and sisters with an adequate knowledge of the truth and a proficiency in the Arabic and Farsi languages; the salvation and gaining of the Lord's chosen ones, both native Germans and Middle Eastern migrants, and their continued shepherding so that they may be remaining fruit for the churches; the Lord's protection of His present move from the attack of the evil one, Satan; the financial provision for this move.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

APPENDIX: PASSING OUT TRACTS

A. No Time Limit

During the past two to three hundred years, the Lord has used tracts in a particular way to save many people. One thing special about winning people with tracts is that tracts are not limited by time. If you try to testify with your mouth, you are restricted by time and personnel. You cannot speak twenty-four hours a day, and your audience may not be available all the time. You may be preaching a wonderful message, but the audience may not be there. However, tracts are not limited by time. You can pass out tracts any time of the day, and men can receive and read your tracts any time of the day. Today many people do not have the time to come to our meeting. But tracts are not limited by time. We can give them out to people who are walking on the streets, who are cooking in their kitchens, or who are working in their offices. This is the first convenience that tracts afford.

B. Tracts Can Convey the Gospel in Full

Many people are very zealous in testifying for the Lord and leading men to Christ. However, their knowledge is limited and their words are lacking. They cannot convey the gospel message adequately and fully. In addition to leading men to Christ through other means, a new believer has to do his best to select some good tracts in his spare time and pass them out

to others. This will enable him to do what he himself could not do otherwise.
