

Please pray:

- ✿ GTCA 2016 in Canada, Jan 26 to Feb 6: for the 2016 GTCA move, in Laval, QC, Mississauga, ON and Abbotsford, BC; that many FTTA trainees and surrounding churches would rise up to meet the need during the two-week Winter distribution; the genuine blending and building up of local and visiting saints; that many may respond to the Bibles and literature given out, that many unbelievers will get saved and much remaining fruit will result from this move for the eventual raising up of new churches.
- ✿ Israel: grace, enjoyment and perfecting of the saints who are translating the Holy Word for Morning Revival into Arabic each week; raising up and perfecting of the Arabic-speaking church life in Israel for the sake of the Lord's move everywhere.
- ✿ Districts in Montreal: that the Lord might lead us as He multiplies us into various district meetings; for a clear and controlling vision of the oneness of the Body of Christ; genuine blending between the saints in the districts regardless of language; the Lord's burden and blessing for the propagation of the gospel of the kingdom in each of our neighbourhoods; a way to provide proper spiritual care for our children in the districts.
- ✿ Middle Eastern migrants in Europe: gospel trips in Germany from January to July; grace to the churches in Germany, including saints who are migrating there for this burden; the free mass distribution of care packages and literature; the shepherding of the seeking ones; the participation of brothers and sisters with an adequate knowledge of the truth and a proficiency in the Arabic and Farsi languages; the salvation and gaining of the Lord's chosen ones, both native Germans and Middle Eastern migrants, and their continued shepherding so that they may be remaining fruit for the churches; the Lord's protection of His present move from the attack of the evil one, Satan; the financial provision for this move.
- ✿ Pray for various local needs, including saints in Montreal, contacts, and those in need of care and shepherding.

APPENDIX: PASSING OUT TRACTS

C. Tracts Not Being Affected by Human Factors

There is another advantage to using tracts. In preaching the gospel, sometimes we feel too shy to use strong words in front of people. Tracts do not have this inconvenience. They can go to anyone and say anything they want. A living preacher is often restricted by circumstances. But the preaching of the tracts is not affected by any human factors. New believers should learn to sow seeds with the tracts.

D. Passing Out Tracts Being a Way of Sowing

Another advantage of passing out tracts is that one can sow anywhere. The Old Testament says that we should sow our seed in many waters (Num. 24:7). It takes a considerable effort to speak to three, five, or ten persons together. But there is no difficulty in passing out a thousand, two thousand, or three thousand tracts a day. If one person can be saved out of the thousand tracts we pass out, this is wonderful enough.

New believers should learn to pass out tracts in large quantities.

E. God Saving Men through Tracts

God has indeed used tracts to save people. I know of some people who slip tracts under doors. Others drop them into mailboxes. I remember an incident in which a person received a tract and then threw it away on the street. Another person, who had a nail stuck in his shoe, was looking for something to cushion his foot. He picked up the tract and stuffed it in his shoe. He returned home and began to mend his shoe. Then he saw the tract and was saved. There are numerous similar cases of people being saved by tracts. Some of these cases are actually quite marvelous.

F. Much Prayer and Dedication of Heart

A newly saved brother always should have tracts ready in his pockets, and he should pass them out when he is free. Like the work of leading men to Christ, we should do this with much prayer and dedication of heart. While we are passing out tracts, we can speak a word or two to others or we can remain silent. Either way is good. If a new believer practices this, he will receive great benefit from it.
